

It is herein agreed that:

The undersigned Contracting Author warrants that he/she is authorized by all authors of this work and others who lay ownership claim to it (for example, employers of authors) to enter into this agreement.

The undersigned grants an exclusive right of distribution of the above work to Springer-Verlag Heidelberg New York, for a period of three years starting from the date of publication by Springer. This covers the right of Springer to reproduce and distribute the work, including reprints, translations, photographic reproductions, microform, electronic form (offline, online), or any other reproductions of a similar nature.

Until this three-year period has expired, the authors may also publish the work on their personal Web pages, provided that a link to an appropriate Springer-Verlag LNCS page (such as <http://www.springer.de/comp/lncs/index.html>) is prominently displayed.

The authors may not publish the work anywhere else during this period without the prior written permission of Springer, unless it has been changed substantially.

After the three-year period has expired, the undersigned agrees to extend a nonexclusive right of distribution to the PET Board and its designee(s). This covers the right to reproduce and distribute the contribution, including reprints, translations, photographic reproductions, microform, electronic form (offline, online), or any other reproductions of a similar nature.

The undersigned warrants that the above contribution is original, except for such excerpts from copyrighted works as may be included with the permission of the copyright holder and author thereof, that it contains no libelous statements, and does not infringe on any copyright, trademark, patent, statutory right, or propriety right of others.

The undersigned signs for and accepts responsibility for releasing this material on behalf of any and all coauthors.

In return for these rights:

The PET Board will arrange publication of the contribution in a Springer-Verlag LNCS volume. The PET Board understands that Springer will allow authors to purchase for their personal use books published by Springer-Verlag with a discount of 33 1/3% off the list price. Resale of such copies is not permitted.
